In the spirit of "Diana of the Dunes"*

*Saturday, October 17, 2009*

*6:00-8:00 p.m.*

*Dune Acres Clubhouse*

*Under the stars  
Surrounded by nature  
Delicious food and drink  
Music and conversation*

*Dress warmly as the party may spread out to the patio.*

*"Diana of the Dunes" is the legend of a well-cultured Chicago woman who left city life behind her to live off the land. The notoriety she received from bathing nude in Lake Michigan led to her being compared to a goddess. According to folklore, her sudden death has left Diana haunting the Dunes of Indiana.*
